By crafting, management, consulting and single source solution programs, Preferred Restaurant Services has developed a signature philosophy that resonates with every encounter. Preferred understands that each Client Partner has its own distinctive personality and we take great pride in helping to transform opportunities into successes. After years of partnership with hundreds of restaurants across the nation we are proud to share some of the most recent success stories that have come our way.

Green Cactus Grill, Connecticut, Anthony Lefferts, Business Consultant

A 10 Unit group based in New York serving Mexican food in a casual environment with annual sales between \$850,000 and \$1,000,000 enrolled in the Health Benefit Program.

Mary Jane Richardson, President, **“PRS has allowed me to offer my current and future employees a premium benefit package at a substantially lower cost and as our concept continues to grow it will be an invaluable tool for attracting potential employees.”**

Alto Lakes Golf and Country Club, New Mexico

Anthony Lefferts, Business Consultant

Located in New Mexico has enrolled 27 employees in a plan that is an upgrade from the previous plan and saved \$40,000 on premiums.

Bob Brewington, Controller, **“We have been extremely happy with the great coverage that PRS/Cigna benefits provides to our staff and the premium is almost 25% less than our previous plan; truly amazing, medical costs actually reduced.”**

Collier Group, Central Florida, Ray Marvel, Business Consultant

A high volume 2 unit fine dining establishment in Florida improved their benefit program and saved in excess of \$30,000 in the process.

Cari Larcomb, Manager, **“PRS allowed me to upgrade our medical program at the same time lowering costs. PRS’ staff as been extremely helpful in answering questions.”**

Even Keel, Susan Carrero, Business Consultant

A multi-million dollar grossing restaurant located in historical down-town Nantucket famous for flavored coffees and fresh seafood.

Marshall Thompson, Mara Psaradelis, Owners, **“We learned about Preferred Restaurant Services from Hallsmith-Sysco and the iCare Sysco program. We have been able to utilize their services as a one stop shop for our payroll and insurance needs. PRS has enhanced our coverages while saving us money and allowed us more time to focus on operating our restaurant. We are actually opening a second location and plan to use PRS for that operation as well.”**

Fezziwig's Warehouse Grill and Bar and TJ's Trattoria,

Susan Carrero, Business Consultant

Family home-cooking style dining for over 150 seats, reasonably priced large portions and grosses over 2 million annually in each establishment.

Harry Clarkson, President, **"We have used PRS for 6 years and have experienced exceptional cost efficiencies in Property and Casualty Insurance, Payroll Processing and Group Health Benefits. They have enhanced our independent operation and give us a clear cut advantage in today's business climate."**

Brasek's Hillje Smokehouse, Houston, TX, Lisa Stephens Business Consultant

Nationally recognized barbeque restaurant with a large catalogue business whose prepared food is carried by high end retailers such as Neiman Marcus.

Sharon Prasek, Human Resource Director, **"PRS provided us with a single source solution to administrative details of running our restaurant and allows our management to continue to serve our customers the very best. I was impressed that employees received there permanent Health Insurance Identification Cards very quickly due to the great service we received from all of PRS' staff and our Business Consultant, Lisa Stephens."**

Stephan Pyles, Dallas, TX, David Hovey, Business Consultant

A fine dining restaurant in Dallas with a national reputation established by its namesake chef. Serving new millennium southwest cuisine to 200.

Michael Welch, Chief Financial Officer, **"At Stephan Pyles, we understand the importance on focusing attention towards the things we know. PRS is a valuable asset to our restaurant in sourcing multiple services from Property and Casualty, Health Benefits and Employee Accident Insurance at economies not available to the single unit operator. By bundling our services with PRS, and allowing them to do what they know, we have been able to get to the core of our business, taking care of our guests."**

Zapatista Cantina, Chicago, IL, Cyndi Glodt, Business Consultant

David Yanda, Owner, **"PRs has enabled Zapatista to take advantage of group purchasing of our health benefits, payroll processing, workers compensation as well as property and casualty insurance. I value the attentiveness we receive from Cyndi Glodt and the rest of the PRS team and foresee us having a long-term working relationship."**

Isabella's Restaurant and Bar, Dallas, TX, David Hovey, Business Consultant

A white table cloth traditional Northern Italian restaurant focusing on classic foods from Tuscany. Mid-range pricing.

Craig Vaught, Owner, **"In each of my experiences with PRS, I come away with the same feeling. Security. I knew that any task handled will be done professionally and swiftly."**
